

WE NEED YOU!!!

We are looking for volunteers to help the lunch room staff. All you need to do is show up for an hour (11-12) or (12-1) and monitor the students. This helps the school staff and your students!! The younger grades need help opening milk, gogurts, containers, etc.... the older kids just need more eyes and ears. This will also show your child that you are involved at the school on a consitent basis. Once per week for an hour is all we ask. Please consider volunteering for this position. Please contact me for further questions or if you are definitely interested. The volunteers who already help, love seeing their kids associate with their friends on a weekly basis and their kids love to see them there and involved.

Thank you!!
